

St. Andrew - St. Elizabeth Ann Seton School

January 15, 2010

Dear SASEAS School Supporter,

The St. Andrew-St. Elizabeth Ann Seton (SASEAS) School is busy planning for the 4th Annual Grand Event to be held on March 20, 2010. We would love your support again this year! This year's event, "Back to the Fabulous Fifties" is our largest fundraiser of the year with proceeds supporting educational programs and activities, facility improvements, state-of-the-art computer technology, and financial assistance programs for our school families. Our goal for this year is \$50,000.

As you may know, SASEAS School is unique in its dual-parish status as well as our two-campus organization; students in grades K-5 attend our St. Elizabeth Ann Seton Campus on Buckwheat Road, while grades 6-8 attend classes on our St. Andrew Campus, in old Milford. A successful event will enable us to continue our mission to "empower all students to develop, to utilize and to share their God-given abilities in a Christ-centered environment that nurtures their spiritual, intellectual, emotional and social growth."

Our past year's events have been a huge success, thanks to the many volunteers and the generous financial support of local businesses like you! To ensure another successful event, would you consider donating to this year's event either by providing a gift or service, advertising in our event catalog, or becoming an event sponsor? All donations are appreciated, and in return for your support, your business will be given recognition at this year's event as well as in our event catalog.

For your convenience, a donation form has been included as well as sponsorship and advertising contracts. All donations are tax deductible to the fullest extent of the law. If you have any questions, please feel free to contact us.

Thank you for considering a donation to this year's Grand Event.

Sincerely,
