

SCHOOL LUNCH PREPAYMENT FORM 2010 - 2011

St. Andrew School utilizes a computerized point-of-sale (POS) debit system that makes paying for school lunches much easier. Each student has his/her own STUDENT MEAL ACCOUNT that is accessed by entering his/her personal identification number (PIN) on the numeric keypad at the cashier station. The student's photo appears on the screen when his/her PIN number is entered. The cashier then verifies the student's identity before the student's purchases are deducted from his/her account. Money can be deposited into the account at any time, as often as needed.

To Check Account Balance and Add Money to your STUDENT MEAL ACCOUNT - There are three convenient ways to place money on a student meal account:

1. Online Payment Service (www.cafeprepay.com) using Visa, MasterCard, American Express or Discover. In addition, this online service allows you to check your child's account balance and view a detailed list of items your child has purchased. While there is a nominal service fee to make online payments, there is **no charge** to view account balances and a detailed list of items your child has purchased. Visit www.cafeprepay.com and enroll in this easy-to-use service. Detailed instructions on setting up an account can be found on the Milford Schools website at www.milfordschools.org, choose the "Nutrition Services" icon, then choose "Café Prepay Instructions".
2. Checks made payable to Milford Nutrition Services can be sent into school with your child. **Please include your child's name, grade and student ID # in the memo of the check and return with the completed form below to school.**
3. Cash - We do accept cash payments in the lunch line. However, recording cash payments daily for each student during lunch will slow the lunch lines.

We encourage you to prepay for your child's lunch, as this helps expedite the lines. You can prepay for the week, month or entire year. To calculate, count the serving days on the menu or school calendar and multiply by the lunch charge listed below:

ST. ANDREW LUNCH PRICES

Lunch (includes 8 oz. milk and all side items)	\$2.75
Super Lunch (includes 8 oz. milk and all side items)	\$3.00
Milk Only	\$0.50

PLEASE NOTE: If your check is returned for insufficient funds (NSF), you will be charged for both face amount and return check fees. The returned check fee is \$35.00. We will not accept another check as payment for your child's lunches until all fees have been paid. Fees that remain unpaid will be reported to the proper authorities.
