February 6 - February 10

Morning Curriculum

Religion- Text - Chapter 13 - "We Are God's Children"

Bible- Tell the story of the Centurian, Jairus' daughter, and the multiplication of the loaves and fishes.

Reading- Focus on listening and responding skills
Introduce sight words, *will, be*
Review sight words *find, this, are, now, come, me, with, my, what, you, is, how,*

Tell author's purpose
Blend and segment sounds in words
Write verbs in the future tense

Math- Introduce the number grid as a math tool
Use the number grid to see sequence of numbers and patterns

Explore characteristics of the penny and nickel
Introduce solid shapes - cylinder, sphere, cube, rectangular prism

Science- Recognize and describe surface tension of water, and recognize that some objects sink in water, some objects float in water.

Social Studies- Identify the occupations of people at school, in a community, and at home. Describe how each worker is helpful to others.

Health- Explain ways to care for our teeth
