Volume 4, Issue 26

Be it known to all who enter here that Christ is the reason for this school. He is the unseen but ever present teacher in its classes. He is the model of its faculty and the inspiration of its students.

Dear Parents:

Within a few days we will begin our annual *Right to Read Week*. As I was signing the numerous Accelerated Reader certificates last week, I was astonished at the sheer volume of books our kids are reading. There are fewer gifts a parent can pass onto their kids that are greater than the love of reading.

The ability to read, both fluently and comprehensively, enables our children to excel in so many other subject areas. It is the foundation upon which all else is built. Reading unlocks the doors to so many opportunities, they are too numerous to mention.

If you find yourself with a child who resists reading or who may struggle or lag behind where they should be, let us do everything in our power to get them back on track. Talk to your child's teacher, our reading specialist, or anyone else who may help develop a reading plan.

Develop some strategies to incorporate reading into your summer plans as well. It will pay dividends well into the future.

On a completely different note, I would strongly recommend taking your 7th or 8th grade student to Mount Notre Dame's presentation of *Conquering the Digital Divide*. In this day and age of technology, the opportunities to stray down the wrong path are abundant. Whether it is Facebook, texting, chat rooms, cyber harassment, or cyber bullying, come hear the experts discuss the safest ways to navigate through it all. A flier was sent home to the 7th and 8th Grade Students at the beginning of this week which describes this presentation.

And finally, I hope to see a good number of you at this year's Grand Event, March 20. It is a tremendous way to have fun and help support SASEAS.

Peace and all good.

NOW TAKING ORDERS for SUMMER SOLUTIONS

The best way to maintain your student's academic progress in math and language arts is through continued practice over the summer months. The SASEAS School office will be accepting orders for Summer Solutions books now through April 1.

The cost of each book is \$10. There is no shipping fees or sales tax when you order through school which equals a savings of \$3.50 per book. After April 1, you will be required to order any books online at www.SimpleSolutions.org.

Attached is an order form. Please complete and return the order form to the school office by April 1. Make your check payable to: SASEAS School.

Note: Please order the level that corresponds to the grade your child is completing. For example, a current third grader should use the Level 3 Summer Solutions.

March is a great month to order from Market Day. Stock up this Lenten season with great fish, salmon, tilapia, shrimp, cheese and other meatless groceries.

Place orders online @ www.marketday.com before 11pm Thursday, March 11. Market Day pick-up will be Tuesday, March 16 from 4:30pm – 5:30pm in the Seton cafeteria.

It is that time of year when in music class the 8th grade is gearing up for the Variety Show!

This year it is on **Thursday April 22nd at 7 pm.** *If your student is in a spring sport, please alert the coach that they will have a conflict on that date.* **Each** student has something to do in order for this show to be the best it can be.

I would like to ask for some parental help, on Tuesdays & Thursdays from 9:40 to 10:57 or any increment of that time. There needs to be some supervision as each student adds their handprint onto a banner that is being made. Please let me know if you would be able to assist with this project.

Thank you and I look forward to seeing ***all*** of you on the 22nd!
