# Titan Times

www.saseasschool.org

Dec. 14, 2011

Volume 6, Issue 15

---

*Be it known to all who enter here that Christ is the reason for this school. He is the unseen but ever present teacher in its classes. He is the model of its faculty and the inspiration of its students.*

---

Dear Parents:

“Kids these days.” That remark is usually followed by a litany of all the horrible things wrong with kids in this day and age. “They do this....”, “They do that....”, and so on and so on.

And I simply love to respond, “How about the kids these days. Let me tell you about our Titans.” I go on, “Did you know that they just raised over \$4,000 for our Adopt-a-family program – the most ever? No? Then, they went shopping for gifts for the needy families. Then, they’ll wrap and deliver these gifts. We were able to help nine families and almost 30 children.”

“That, my friend, was *after* they brought in over 200 shoeboxes for our annual ‘Operation Christmas Child’ program.”

Those nay sayers are starting to look for a way out by this time. “Oh, I’m not done. Next, we will be making Christmas cards and rosaries for area nursing homes, and police and fire departments.”

Kids these days. Aren’t they a blessing!

On a different note, did you know that we had 92% of our eighth graders take the High School Placement Test? That is the highest it has been in several years. We also have the highest number of students scoring over the 90<sup>th</sup> percentile this year.

While the high schools have not yet officially released the test scores or announced scholarships, I assure you that SASEAS will once again make us all proud.

Since we will not have a Titan Times next week, I would like to wish you and your family a very blessed Christmas and New Year. Enjoy your break!

Peace and all good.

Tom Devolve  
Principal

Early Dismissal, SA-12:45pm, Seton 1:00pm  
Scallywag Tag, Grades 6, 7, & 8, 1:30-4:30pm

### **Science Fair Judges Needed**

#### **MARK YOUR CALENDAR!**

**St. Andrew Campus Science Fair  
Friday, January 20, 2012**

The 7<sup>th</sup> and 8<sup>th</sup> grade students at St. Andrew Campus are busy preparing for the upcoming science fair and exposition scheduled for Friday, January 20, 2012 in the St. Andrew gym.

Mrs. Melissa Doll, science teacher, is expecting 125 projects for this exposition and will need volunteers to participate as science fair judges. For scheduling purposes, judging will take place in the morning from 7:45am -10:30am. Judges should have a background in math, science or engineering and should be familiar with the scientific method. Instructions and blank scoring sheets will be available prior to the competition.

Judging results do not affect the students' grades, but will determine which students are invited to compete at the regional fair at UC.

It is quite inspiring to view all of the diverse projects and help our young students get excited about science! If you or someone you know would like to judge, please contact Amy Schroeder at [amyts@cinci.rr.com](mailto:amyts@cinci.rr.com) or 831-4136.

Families and friends are invited to view the projects on the evening of the science fair. More details will be available at a later date.

## **SMILE YOUTH GROUP**

### **SMILE CHRISTMAS PARTY**

**All 7<sup>th</sup> – 12<sup>th</sup> Grade Students**

**Sunday, Dec. 18**

**7:00 – 9:00pm**

Please bring cookies to share with the group. Also, SMILE has also adopted children at the Homeless Shelter for Christmas. If you would like to donate money toward their gifts, please bring to the meeting.

Call Catherine if you have questions at (831-8318).

## **An Irish Extravaganza!**

Be sure to check out this week's Frequent Flyers for information on the Grand Event!
